Banquet and Dance

Honor Eleven Graduates At Milo School Exercises

Closing exercises were held in the Milo High School Auditorium on Friday evening, June 6, with approximately 140 guests in attendance. A delicious banquet, with catering by members of the Home and School Association, started the memorable evening. Grace was given by Reverend N. Foster of Lomond.

The banquet consisted of roast turkey and all the trimmings and was served by the Grade 9 class.

A very effective program followed the banquet, directed by Toastmaster, graduate Dennis Beckner. The toast to the school was given by Mrs. Betty Papp and was responded to by Fred Zaytsoff, reviewing the highlights of the year. The toast to the staff was given by Colleen Beechman and responded to by S. Fluter of the school staff.

Miss Dianne Monner sang a lovely solo, "You'll Never Walk Alone" and was accompanied on the piano by Miss Janice Bertrand.

The toast to the parents was given by graduate Joyce Schaub and was appropriately responded to by her father, M. P. Schaub.

The toast to the graduates was given by Wallace Anderson and the response by the valedictorian, Graduate Loretta Lahd.

Miss Carol Peterson presented John Berezowski with a gift on behalf of the Students' Union, in appreciation of his services as referee for the basketball games held during the winter. John very ably thanked the students. Mrs. Gladys Bittorf, on behalf of the Home and School Association, the Students' Union and the Oddfellows and Rebekah Lodges, presented Colleen Beechman with a matched luggage set as a reward for attaining second place in the United Nations Speaking Contest. Colleen thanked the donors and all those who had helped or sponsored her.

The address to the graduating class was given by V. H. Wellman, principal. He very effectively compared the capabilities of the graduating class to the launching of a satellite.

The presentations to the graduates were then given by Mrs. Betty Papp, assisted by Mrs. Vivian Wellman. Each graduate was presented with a lovely corsage or boutonniere, and a white photograph album. The graduating class consisted of Loretta Lahd, Sharon Phillips, Sheila Brown, Joyce Schaub, Joan Nelson, Fay Bartsch, Lorne Healy, Dennis Beckner, Alvin Shield, Fred Zaytsoff and Jay Bartsch.

The guest speaker for the evening was S. A. Lindstedt of the Calgary Branch of the Faculty of Education, University of Alberta. His address was appropriate for the occasion, given very effectively with the combination of humorous and serious aspects of a student's life and future.

After the program, dancing was enjoyed to the strains of Tracey's Orchestra from Hussar.

The auditorium was beautifully decorated for the occasion by the Grade 11 students, directed by Dianne Monner, Patsy Monner and

Golf Highlights

Winner of the Ladies' Day Hidden Hole contest last Wednesday was Mrs. Gail Walker.

The Herald District Golf Playoff was held at the Vulcan Golf and Country Club on Sunday with players from Vulcan and Turner Valley Clubs represented. Ray Wellman was the winner and now represents the district at the Provincial Herald finals at Edmonton's Highlands Course on July 2-3. Tommy Wild of Turner Valley was runner up.

The much needed rain that has fallen the past few days has made the golfing conditions ideal at the lovely Vulcan course. This should ensure the success of the First Anniversary Tournament to be held here Sunday, June 22. Golfers are expected from practically all towns from Calgary to Lethbridge and as far south as Cardston.

Silhouettes of the graduates were arranged on the back wall just behind the swing. The evening was a real success and a great deal of credit and thanks should be given to all those who made the occasion such a memorable one.

Wins Clay Pigeon Shooting Title

Bill Peterson of Calgary, son of Mr. and Mrs. W. G. Peterson, well-known former Vulcan residents, won two provincial titles at the annual Alberta clay pigeon championships held at Edmonton recently.

He won the singles after a shoot-off with Edmonton's Keith Blanchett and took the over-all title by shattering 373 of 400 targets.

The Junior championship was won by Brian Natrass of Calgary.

Babe Ruth Lions Win Two, Lose One

Vulcan Babe Ruthers' winning streak was abruptly halted by a hard hitting Champion Club, who blasted the locals to the tune of 19-6. Champion only outlived the home team by two hits, their team having nine, while Vulcan batted out seven; but Champion was aided by nine Vulcan mis-cues.

Warren was the big gun for the winners, cracking out two doubles and a single. Rhodes was the winning pitcher while Schumacher was given the loss.

Champion	19	9	2

Vulcan got back into its winning ways by defeating Carmangay 10-5. Brian Erickson was the winning pitcher, allowing only three hits, while Vulcan was collecting ten hits.

The two clubs were extremely close until the sixth inning when Vulcan collected three runs on a single and double by Miller and Barry Deal respectively and a home-run by pitcher Erickson.

Carmangay	5	3	3

Vulcan Lions won its sixth game against Barons by defeating the southern club 11-7. David Collier held the losers to six softies, while Vulcan collected seven. Jim Graham was the top hitter for Vulcan as he cracked out a triple and two singles.

Good Rain This Week

Widespread showers over the county area Monday brought needed moisture to crops and gardens. Precipitation varied greatly over the district, but from one-quarter to one inch of rain has been reported at most points. The weather on Tuesday and Wednesday was cool and cloudy with the possibility of further showers. Light frost was reported at Calgary Monday night and snow was reported in some parts of this district.

Rainfall in Vulcan this week up to Tuesday noon was six-tenths of an inch.

Church Parade Well Attended

The Church of Christ was filled to capacity on Sunday morning, June 8, for the annual Memorial Parade of Rebekahs and Oddfellows.

Lloyd Jones played preliminary music on the organ, and Bill Hansell led a Song Service, during which piano and organ, played by Eileen Hago and Jean Gardner respectively, were used together for accompaniment. Warden Budd sang a solo and Leone Jones and Barbara Budd rendered a duet.

This special music was accompanied on the organ by Mrs. Naanan Budd. A topical sermon was preached by the minister, Frank Dann, who warmly welcomed the visitors in the name of the church.

Five Lodges Represented

Royal Purple Lodges Hold District Meeting

The annual meeting of Lodges in District No. 5 of the Order of the Royal Purple, Auxiliary to the BPO Elks, was held in Vulcan on May 29.

Some 135 ladies were registered for the all-day session which was held in the Vulcan Armouries, which was beautifully decorated for the occasion with baskets of white and purple lilacs, honeysuckle and tulips.

Delegates were present from Calgary, Okotoks, Staveland, Vulcan and Brooks Lodges.

The meeting was especially favored by the official visit of the Supreme Head of the Order in Canada, Supreme Honored Royal Lady Martha D. Waite of Big River, Sask., and by Supreme Trustee, P.S.H.R. Lady Ona Haight of Olds. It was to be regretted that Supreme District Deputy H. R. Lady Diebert of Calgary, who was to have had charge of the district meeting was seriously ill and unable to be present and in her absence Supreme H.R. Lady Waite presided; also Lady Rose Stein, secretary of the Vulcan lodge was to have been the secretary for the day, and she was ill and in hospital, and her place was taken by Past Supreme District Deputy H. Lady Kelly of Calgary Lodge. Vulcan being the hostess lodge, had charge of the opening

and closing ceremonies, with H.R. Lady Wilma Marshall in the chair. Visitors were welcomed and courtesies were presented to honored guests.

Throughout the day the work of the order was beautifully exemplified by the various lodges, and reverent tribute was paid to all deceased members.

Three Vulcan ladies, namely, Mrs. Jacqueline Lucas, Mrs. Ruth Richardson and Mrs. Mae Engen, were initiated and welcomed into the membership of the Order of the Royal Purple. Many matters pertaining to lodge work were dealt with and many questions were answered by supreme officers who were present.

During the afternoon, a half-hour break was enjoyed and tea was served by the ladies of the Vulcan branch. At the close of the afternoon session the ladies adjourned to the basement of the Odd Fellows Hall, where a delicious banquet was served by members of the Rebekah Lodge.

H.R. Lady Wilma Marshall was the toast mistress and seated with her at the head table were Supreme H.R. Lady Martha Waite; P.S. H.R. Lady Ona Haight; P.D.D. H.R. Lady Sparrow of Brooks; P.D.D. H.R. Lady McClellan, Calgary; P.D.D. H.R. Lady Miller, Vulcan; P.D.D. H.R. Lady Kelly, Calgary; P.D.D. H.R. Lady Carr, Okotoks; H.R. Lady Alfred, Okotoks; H.R. Lady McKellar, Brooks; H.R. Lady Weatherburn, Okotoks; H.R. Lady Bush, Calgary; and H.R. Lady Ferguson, Staveland. Invited guests were Mayor William Munro, who was unable to be present and Mr. and Mrs. Jim Clark. Jim is the Exalted Ruler of the Vulcan Elks and brought greetings and good wishes from the Elks.

A social time was then enjoyed when entertainment was provided by Calgary, Staveland and Brooks lodges. This concluded what was agreed by all to have been a very profitable and enjoyable district meeting.

District Scout Camporee Held

The first annual Lake McGregor District Boy Scout Camporee was held west of Nanton June 7-8 and was voted a huge success by all who attended, including 92 Boy Scouts and 12 leaders.

Troops taking part were from Carmangay, Champion, Lomond, Milo and Vulcan. All projects were done on a patrol basis, with the boys doing their own cooking and camp chores and points were awarded. Competition was very keen and a patrol from the Champion troop came out on top.

Along with the patrol competition, the boys went hiking, fishing and swimming and on Sunday morning a "Boys Own" service was held. The wonderful time had by the boys and their leaders will likely result in a bigger and better Camporee next year.

627 Are X-rayed At Champion Clinic

Reports now made available, show that 627 persons attended the Mobile X-ray T.B. Clinic held at Champion in April.

Of these, 605 were apparently normal and there were 22 with chest abnormalities, of which 11 were non-tubercular abnormalities. The remaining 11 have been asked to have larger X-rays taken for further investigation.

The clinic was sponsored by the Champion Branch of the Ladies' Auxiliary to the Canadian Legion. C. J. Versluys was chairman of the committee in charge of arrangements and wishes to extend thanks to all who assisted in making the clinic a success.

Estimated \$35,000 to \$40,000 Loss

Midnight Blaze Destroys Interior Betty Ann Shop

At 11:55 Sunday night the two rigs at the Vulcan Fire Brigade were called to a fire at the Betty Ann Shoppe. Less than a half-hour later firemen had it under control, but not before an estimated \$30,000 stock loss and \$10,000 building damage had been sustained by store owner, Charles Northcott.

Inspection of the gutted interior on Tuesday failed to turn up any leads to the cause of the blaze. The loss is partially covered by insurance.

Early in the fire it was feared that the offices of the Foothills Health Unit, Lundy Findlay Insurance and Real Estate, Mitchell's Pharmacy and Jenkins Groceries might become victims, but the firemen succeeded in localizing the flames to the clothing store.

The alarm turned in by Miss Laura Bucher from her upstairs apartment in the opposite corner of the Bruce Block, was met with instant response by the fire crews. A burning live power wire which hung from a pole in the alley beside the store lay in the path of the first unit on the scene and was a serious hazard until it coiled itself to one side.

An explosion preceded the billowing flames and smoke and it is thought the fire must have burned for some time until the heat pressure blew out one of the plate glass windows and a door. When the outside air rushed in the complete interior ignited at once with flames reaching out of the windows well into and above the power lines. There was danger of more lines dropping on the men below during the fire but it luckily did not happen.

Records and equipment were moved from the Health Unit office to the street as a precautionary measure. A hose was also taken through the Mitchell building to the wall separating the burning building, but it was not used. The Betty Ann Shoppe is of cinder brick and cement construction but fire went through a window opening to the adjoining wooden wall. However it was put out by hand extinguishers.

Firemen remained at the scene until 3:30 a.m. and Fire Chief Lundy Findlay with four men stayed until Monday morning.

Adding to the seriousness of the loss are the facts that summer shipments of new stock had left the store even more heavily stocked than usual and that contractor

week at the University of Alberta in Edmonton, commencing June 18. The Red Cross FUA local is sponsoring Carolee, while John is being sponsored by the Alberta Wheat Pool.

The best way to get rid of work is to do it.

A forger is a guy who gives a cheque a bad name.

Ed Roebuck was putting the finishing touches on a \$4500 store renovation. Folding doors had just been installed and all that remained was the laying of linoleum.

The store had recently celebrated its 9th anniversary and the renovations, which would have greatly increased floor space, were expected to give new interest, comfort and convenience to its women shoppers.

The basement containing clothing and office records was not touched by the flames but smoke and water damage was suffered. Pumping crews removed a foot of water from the downstairs portion.

Fire Chief Findlay had special praise for the Vulcan policemen for their control of traffic and the hundreds of onlookers, and to the men of his department to whom he gave most of the credit for holding the blaze in check.

Constable Moyer had been by the Betty Ann Shoppe at 11:45 and was not aware of anything unusual until Const. Degen called at his office. He reached the building before the firemen and was about to make use of some equipment from the Legion Hall when the door flew out and the burning wire fell to the alley. He and the arriving firemen were kept at a distance until the danger passed.

Plans are now underway to clean out the interior of the store and rebuild.

Pitcher Stars In Claresholm Game

The Vulcan Elks lost two close games and bombarded the Carmangay Cubs 28-8 in the other game to win only one of three games in this week's play. Both losses showed Vulcan putting on belated rallies, but it was just a little too late.

On Wednesday the local crew journeyed to Claresholm, where they found themselves trailing by a 7-0 count at the end of the 5th inning. Vulcan then scored seven times while holding Claresholm to just two runs. Highlight of the game was Vulcan's final pitcher, Charlie Sorzen, who pitched only four innings and struck out 10 Claresholm batsmen.

Sunday in Carmangay the local crew opened with vengeance and when the smoke had cleared Vulcan had won the first game, scoring 28 runs and holding the Carmangay crew to only eight. Mel Jordan paced the attack with two home runs while Dave Mitchell clouded one circuit blast.

The final contest saw the locals fall behind by a 9-0 score before they once again came close. The Vulcan squad rallied to take a 14-13 lead over Carmangay, but they couldn't hold on as Carmangay came back to score two in the bottom of the final inning for their win.

The styles of the dresses modelled were from sports to the slim and the very modern sack dress.
During the intermission the guests were entertained by trio Maureen Gallagher, Coleen Auld and Beverly Thorpe, accompanied by Marina Larsen, who also played the piano during the afternoon.

Scout-Cub Annual Rally
The Scout-Cub Annual Rally was held recently, the first to take place, in the newly formed smaller district, at the A. L. Henry rally site. Included were boys from Nanton, High River, Blackie and Brant-Ensign districts, under the capable management of District Commissioner Leonard Benson and Cub Commissioner Cecil Kurlin. Sixty Scouts camped from Friday noon until Sunday afternoon in spite of the wet and dismal weather. They had a fine camp and being good campers, stayed warm and dry.

Sunday afternoon, Scouts, sixty Cubs and their parents gathered. Activities were opened by the Cubs forming a large ring and giving the grand howl and the Scouts in formation and raising the flag. Carl Smith of the Blackie local association warmly welcomed everyone to the rally. The parents inspected the Scout camp, while the Cubs took part in the active program of obstacle races, a hike and athletic events.

Brant Cubs were under the leadership of Mrs. McKay and Mrs. Eileen Kennedy, and Scouts under Scouters Charles Rhodes and Alf Lawson. At 5 o'clock everyone assembled for picnic lunch.

Following the lunch a presentation on behalf of the Brant-Ensign group was made to Mr. and Mrs. Leonard Smith by Association President Clifford Jensen, thanking Leonard and Marion for their time and effort they had given to Brownie and Cub work at Brant in recent years. They received an inscribed copper hostess tray. Leonard very suitably expressed his thanks to everyone.

A child may quite normally fear things that can hurt him but he should be helped to overcome any fear of harmless or abstract things. No youngster should ever

Latter-day Saints

There has been considerable

activity at the Champion Branch of the Church of Jesus Christ of Latter-day Saints this past week. The Relief Society gave the Chapel, Recreation Hall and classrooms a thorough cleaning; while the men gave the roof and outside walls a new coat of paint. The Primary boys and girls planted flower beds with bedding out plants. The grass was cut and the hedge trimmed.

As a result of all this activity everything was fresh and clean with bouquets of spring flowers for Branch Conference Sunday morning. The Sunday School was visited by 12 members of the Stake Board from Taber; and each department here was visited by them.

President of the Lethbridge Stake, Grant G. Woolley with his councillors Elmo E. Fletcher and J. Owen Steed attended all services Sunday and gave inspirational counsel to the large congregation.

On Tuesday evening the Stake Board of the Mutual Improvement Association visited the M.I.A. here. The regular meeting was an outdoor party to start the new year of M.I.A. activities. The party was held at the home of Mr. and Mrs. Fay Smith at Carmangay. The ball game was real fun with a lot of

good plays made. Mrs. Norman Fooks of Lethbridge (TV's Georgia) pitched to Errol Smith for one team and Sheila Puzey pitched to Archie Terry of Lethbridge for the other team. Following the ball game a sing-song and supper were enjoyed around a blazing bon-fire built by Bruce Smith. Bryant Stringham was spokesman for the Lethbridge visitors and gave an interesting and enthusiastic talk of encouragement in M.I.A. summer activities.

Rowland Hill told how he saw a man leading a drove of pigs. They followed him jostling and grunting as eager as possible, into the slaughter house and the door slammed shut. How did he get them to follow so gladly to their doom? He had a bag of beans under his arm and dropped a few as he went along. The pigs were so taken up with the beans that they never realized where they were going.
